## Axminster Heritage

Run by volunteers, we are a community project offering a visitor attraction, meeting place and resource supporting schools and life-long learners. We aim to:

- Tell the story of Axminster with a modern, interactive visitor attraction
- Celebrate the town's history of carpet-making
- Contribute towards the regeneration of Axminster by attracting visitors and building partnerships

To do this we are dependent on grants and donations and this is where you can help. By becoming a Member of Axminster Heritage you will show grant-givers that we have the community's support and commitment for this exciting and on-going project.

**The Axminster Heritage Centre** is located in Thomas Whitty House, a Grade II listed building in the centre of Axminster, and site of the original Axminster carpet factory. It incorporates the former Town Museum in a new **Gallery** with the historic carpet manufacturing story as its centrepiece and also houses the town's **Tourist Information Point**. It also offers the **Bradshaw Meeting Room** for hire. **Heritage Alive** is a programme of events, talks, courses and get-togethers that further extends our reach into the community.

We have been successful in receiving grants from a number of major sources and are very grateful to those who have made donations. However our fund-raising efforts need to continue to raise money for the everyday running costs of Axminster Heritage and the unforeseen challenges that inevitably arise.

**We do hope you will help us.**
