

'Patchwork from the Beginning'

An Introduction to Patchwork and Quilting

Saturday 8th July 2023

10:00am to 1:00pm

The Bradshaw Meeting Room, Axminster Heritage Centre, EX13 5AH

Tickets £3.50

Tickets and further information available from Axminster Heritage Centre, EX13 5AH

This workshop is an introduction of the basics of piecing, patchwork and quilting with discussion of history, evolution, various styles and uses of quilted items. You will be introduced to terminology, tools needed and project planning, through a brief demonstration of initial steps to create a decorative item.

This dip-in session gives you an opportunity to explore your interest in sewing as a hobby. The ultimate goal is to progress your skills to producing a square on your own. Axminster Heritage Centre has a longer goal of having participants progress to production of a quilt to be hung in the museum.

Tea and Coffee available
